- Second shift, Monday through Thursday from 2:15 PM to 12:45 AM
- Training will be on first shift, Monday through Friday from 6:00 AM to 2:30 PM, for 2-4 weeks

KEY RESPONSIBILITIES:

- Set up and operate cutting, slitting, folding, sheeting or laminating machines
- Examine job orders to determine job instruction
- Select, clean, change and install spacers and cutters
- Mount material on machine and replenish as needed
- Adjust feed and tension controls
- Respond to fault, error or alert messages
- Observe flow of material through machine to detect irregularities
- Make boxes and create box labels
- Package finished product per customer specifications
- Stack material on shelves; stage product on carts for finishing or on pallets for shipping
- Perform general machine maintenance; make minor repairs using hand tools
- Maintain records and obtain supervisor sign off for designated steps
- Complete jobs as assigned by due date, organizing as necessary to maximize efficiency
- Keeps work area in a clean and orderly condition; sanitize workstation following use
- Perform other related duties as assigned

DESIRED BACKGROUND AND REQUIREMENTS:

- Machine operator experience preferred

- High school diploma or general education degree (G.E.D.)
- Must have the ability to read and write simple instructions, correspondence and memos
- Must have the ability to read and interpret documents such as safety rules, operating and maintenance instructions and procedure manuals
